"Your Safety Leader"

“Your Safety Leader”

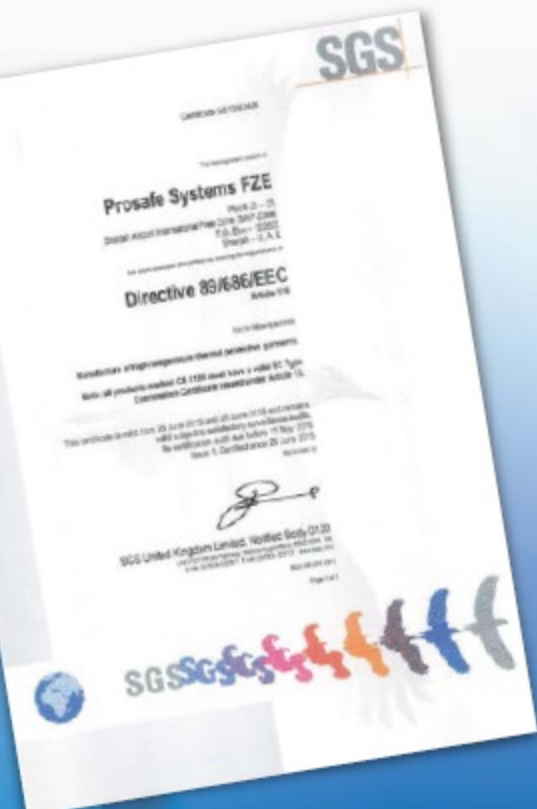

“Having established Personal Protective Equipment trade in various GCC countries, we have committed ourselves to explore and provide best solutions for all PPE requirement of various industries. We forged ahead as a “SAFETY LEADER” with excellence having global tie ups with renowned international PPE manufacturers and offer one stop shop. The stringent International standards of our product assures you with the highest level of safety. “Protecting Lives” as a moto we are emerging as one of the Industrial Work wear manufacturer in GCC complying to global standards and marketed under the brand name “SAVIOR”. We offer a comprehensive range of FR protective clothing designed to address the hazardous conditions found in a variety of demanding industries and work environments. With the strength of global partnership, FR garment manufacturing capabilities and Industrial Laundry services, we are forging ahead as a Textile Management Solution provider in GCC market. Safety First and Customer Satisfaction as a goal, all the staff are well trained and motivated at all time to achieve this objective.

FR & NON FR

Bandana, Vest, Neck Band, Crown pad & Hydration Systems

“SAVIOR” Cooling Solutions uses a unique chemistry to achieve rapid absorption and stable water storage which create enhanced evaporation. These fabrics provide 10-15 degree Fahrenheit temperature cooler than the ambient temperature, depending on the airflow. (NB High humidity (90%) which diminish the fabric ability to evaporate providing cooling effect”
